Key Pallet Information

	<u>Max dimensions</u>	<u>Max Weight</u>
Parcel:	120cm when L x W x H is added together	25 kg
Half pallet:	120 x 120 x100 cms	500 kg
Full pallet:	120 x120 x 220 cms	1250 kg
Oversize:	Any pallet exceeding the full pallet weight or base dimensions. (Oversizes need to be approved before sending and do not hold a service level)	

1000kgs is the weight limit for a tail lift delivery - deliveries can only be made to a hard flat surface
Hazchem is kerb side delivery only, we do not carry goods into buildings.
